

# Competition Branding Document

---

This branding document is designed to be a guide in helping us look and feel like we are part of a team when we go away for competitions. In a competition environment, looking across the mat while you are competing to see a team of guys and girls representing your own club helps you to gain a sense of strength and identity.

This branding document is not compulsory or enforced rigidly, but we at BGC feel that the more we can work together and be a part of a team the better we can perform both on and off the mat.

## **Travel to & from Competitions**

When travelling to and from tournament BGC members are to wear black bottoms (jeans/trackies/pants) with a BGC hoodie, jumper or T-shirt.

## **At a competition:**

In between fights BGC members are to wear a BGC hoodie, t-shirt, jacket or gi with a BGC logo on it in between matches.

## **When competing in gi**

When competing in gi competition BGC members are asked to wear either:

- A Beyond Grappling Club BJJ or Judo Uniform
- Their own uniform with a BGC Back patch and/or shoulder patch

## **When competing in no-gi**

When competing in no-gi BGC members must wear either:

- A Beyond Grappling Club ranked rashie and/or BGC shorts.

## **Exclusions:**

Some exclusions do apply. If you have qualified for a state, national or international tournament and need to wear the appropriate branding then you must do so.

For example: if you qualify for the national championships for Judo then you will be required to wear an ACT back patch, in this case you can remove your BGC backpatch.

These rules are not enforced rigidly – but lets look and represent BGC like the strong team that we are!
